Our capacity for sustained improvement was judged to be 'Outstanding'! A copy of the full report is available on the school website for you to read.

### Keeping Children Safe!

PLEASE come along to our Internet safety course on Friday 11th March to find out the ways that you can ensure that your child is staying safe online! So many children, even at this young age, are accessing social media such as Facebook, Twitter, Instagram and putting themselves at great risk! Attending this course might shock you a little but will help you to realise the hidden dangers and support you with what to do to keep your child safe!

The course is on between 9am and 10.30am There will be a free raffle to win a tablet as well for those that attend.

### Cake Sale!
