Believe

A covenant is a binding agreement between God and human beings, which makes them his people. God made several covenants throughout history- with Noah, Abraham, Moses and David .

Catholic Social Teaching helps us to see that loving our neighbour demands a commitment to social change and transformation, 'We profoundly belong together and are fundamentally dependant on one another.'

Celebrate

We can develop habits that will help us accomplish what is good. These habits are called virtues.

That sin is the deliberate spoiling of our friendship with God and each other.

Live

What growing in virtue could mean in our school.
