

## Class Read

The Good Thieves

## R.E.

Hear

1 Samuel 16:1-13 anointing of David; 1 Samuel 17:1-11, 32-54: David and Goliath

2 Samuel 5:1-5 David becomes king; 2 Samuel 7:8-15 God's covenant with David

1 Kings 2:1-4, 10-12 David's death  
Psalm 21:1-7; Psalm 23

Believe

There were great kings anointed and chosen in the Old Testament. David, the shepherd was called by God to become a servant king

Celebrate

The joyful mysteries of the Rosary.

Some words of Psalm 23 to speak or sing.

Live

Psalms are an ancient way of prayer that are still prayed every day.

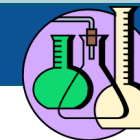

## English

In our first English unit we will be learning to orally re-tell our text of 'The Tree Giant'. This is a non-fiction piece of text in which we will focus on teaching the children the key skills in order to write a information text about their own giant.

We will then move on to learning to orally re-tell the story of 'Dobber and the Silver Ring'. We will focus on learning how to use characterisation in our writing.

## Science

Our topic in science this half-term is 'Materials'. In this unit we will be looking at how rust is formed, reversible and irreversible changes and dissolving.

## Mathematics

Our focus in maths lessons this half-term is multiplication and division.

The children will learn about multiples, common multiples, factors, prime numbers, squared numbers and cube numbers.

We will then move onto introducing our first unit of fractions. In this unit the children will learn about equivalent fractions and non-unit fractions.

They will learn how to convert improper fractions and mixed fractions.

## Shared Reading

## The Good Thieves

## Geography

In Geography we will be learning about Climate Zones. The children will :  
Investigate weather patterns within a climate zone.

Identify the characteristics of different climate zones.

Identify the different lines of latitude

Explain how latitude is linked to climate.

Locate different climate zones and explore the differences between the Northern and Southern Hemispheres

## Spanish

Days of the week, months of the year and numbers 1-31 will be introduced, revised and consolidated so, by the end of this unit, pupils will have the knowledge and skills to say the date and when their birthday is in Spanish.

## Music

## Musical Theatre

This unit focuses on teaching musical theatre, where children learn how singing, acting, and dancing combine to create an overall performance. Use this unit hub to inform your medium-term plan and to navigate to related resources.

## Personal Social and Relationship Education

In our unit of PSHE this half-term, we will be looking at the nature of God's call to love others.

We will then move onto looking at spoken and unspoken pressure and how to deal with it effectively.

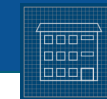

## Computing

## App Design

This unit of work teaches pupils different graphical design and presentation skills in the popular software of PowerPoint, Keynote and Google Slides. It also explains how an app works through navigation and usability.

## Design Technology

## Electrical systems – Doodlers

Investigating an existing motorised product and problem-solving to understand its construction before developing their own.

## PE

We are extremely lucky to have our pool back in school this half-term. All children will have the opportunity to swim twice a week. As well as this, every Tuesday the children will have one PE lesson with Mr Clark.
