

R.E.

Virtues and the Beatitudes.Hear

The Beatitudes from the Sermon on the Mount (Matt 5:1-12)

Jesus summarises the law (the great commandment) (Matt 22:36-40, Lk 10:27)

Believe

The Beatitudes show the loving face of Christ. The Beatitudes describe how faithful Christians should aim to live their lives.

Celebrate

A petition is a form of prayer. The Our Father is the perfect prayer given to us by Jesus.

The theological virtues help Christians follow Jesus' great commandment.

Live

That the virtues of faith, hope and love help Christians to live out the Beatitudes.

Maths

Multiplication and Division

Multiply numbers, progressing gradually until multiplying 4 digits two digits.

Short division, division with remainders, dividing a four digit by a one digit number and effective division.

Problem solving using division and multiplication.

Fractions

Multiplying unit fractions by integers (whole numbers) then progressing to non-unit fractions by integers and mixed numbers by integers.

Fractions of amounts and fractions as operators.

Science

Materials

Exploring how and why different materials used for different things.

Learning which method works best for separating different materials- evaporation, sieving or magnetic etc.

Delving into magnetism with practical learning and understanding how magnetism relates to the world around us.

English

In our English unit this half-term we will be writing a persuasive letter. We will cover skills such as:

Formal writing

Clear opinion

Reasoning and exploring different viewpoints

Persuasive language

Once we have learnt the skills and structure, the children will write their own persuasive letter.

Shared Reading

Malamander

History— The Vikings

Children will learn:

How Henry VII became king, what his claim was and how he unified the Lancasters and Yorks.

Who are the Tudor monarchs; Henry VII, Henry VIII, Edward VI, Mary I and Elizabeth I.

The reformation of the Church.

Exploring Henry VIII's break with Rome and the how's and why's surrounding his excommunication.

The renaissance movement and the impact it had on the arts across the world during the Tudor timeline.

Spanish

At the Caf

By the end of the term, pupils can say and write what they are ordering to eat and/or drink using a wider range of vocabulary alongside very useful transactional language.

Personal Social and Relationship Education

Online Safety

This half-term the children will learn about the differences between face-to-face bullying and bullying online.

They will learn what to do if they think they are being bullied online and how to help others that may be being bullied online.

Art

Architecture

We will look at different architecture throughout the world so that we can identify landmark pieces. We will also explore the different materials used including the reasons why.

PE

5M will continue to attend swimming lessons at Corby pool on a Friday morning. PE lessons continue to be Wednesday morning.

Computing

Music Creation

Children will layer sounds and effects

They will use various sequencers to create drum patterns and scales.

The children should then be able to create effective instrument tracks.

Music

The children in year 5 are very lucky to have NMPAT in school this term! The children will have Ukulele tuition this term.
