Feeding the 5000 (Jn 6:1-4)

Walking on water (Jn 6:15-21)

Healing the Blind Man (Jn 9:1-41)

Raising of Lazarus (Jn 11:1-57) 'I am the bread of life' (Jn 6:35)

Believe

The purpose of sacraments is to help people grow more like Jesus, and through him become children of God.

Celebrate

The sacraments are meeting points with God that bring people into a closer relationship with God and the community of the Church. They are holy, visible signs of God's presence and action in the life of a Catholic.

English

Writing

The Nightmare Man

A Tale of Fear Using suspense techniques, such as show not tell, emotion description, short sentences and deliberate vagueness.

Building on general skills such as expanded noun phrases, fronted adverbials and using synonyms, to improve narrative. Relative clause and pronoun practise.

Spelling

Revising years 3 & 4 words weekly

Year 5 and 6 words in class, with Get Spelling books

Spelling activities

Science

Light

Light takes children through where they learn how to:

recognise that light appears to travel in straight lines; use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye

explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes;

Use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

Working scientifically— experiments with shadow, length, height and angles and well as testing transparency of materials. Build periscopes to show how we can see round corners, using angles

Mathematics

Fractions, Decimals and Percentages

Equivalent

Fractions as division

Understand per cent meaning out of 100

Order fractions, decimals and percentages,

Percentage of amount

Find the whole using percentage of amount

Percentages, missing values

Shared Reading

The Explorer Katherine Rundell
