Believe

Jesus showed his love by dying on the cross. On the cross he took on the guilt and pain of the whole world to bring the world back home to God's perfect love. (See Article 4 Apostles' Creed.) Mary is the mother of all Christians.

Celebrate

That Mass on Holy Thursday recalls Jesus' actions at the Last Supper, including washing the feet of the apostles.

Live

The Stations of the Cross are prayed by Christians around the world and model the Via Dolorosa in Jerusalem.

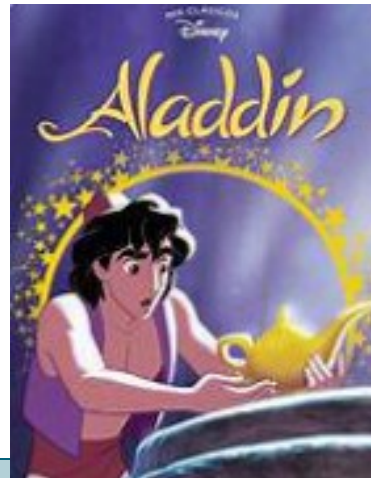

Explore different representations of the Stations of the Cross or prayers of the stations in different places in the world, e.g., Via Crucis in Rome, the high stations in Lourdes.

English

In writing this half term we will be writing a newspaper report based on Goldilocks and the Three Bears, then after this a narrative of Aladdin.

In reading, we will read Continue with The Explorer by Katherine Rundell and practise eye reading skills, preparing for SATs, such as retrieval, vocabulary and inference skills. Children will be focussing on using evidence from the text to support their ideas.

Science

- Electricity
-

Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit

Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches

Use recognised symbols when representing a simple circuit in a diagram

Mathematics

Continue with algebra then move on to shape, angles, area, perimeter, volume and geometry. We will then start to recap fractions and methods before our SATs next half term.
