

RE

In RE this term we will be learning all about the creation story. We will think about how God's love and care for humanity is experienced through the beauty and order of Creation.

We will be creating prayers and think about how praying is a way people draw close to God.

We will be thinking about how God wants us to love and care for the world individually and as a community because the world is God's gift to us.

PSHE

In PSHE this term we will be thinking about friendships and feelings. We will be also be remembering the routines and rules for our school and classrooms.

English

In English this term we will be practising our writing skills. This includes using capital letters, full stops and adjectives in our sentences.

We will then be learning a version of the story 'Three Little Pigs'.

While learning the story, we will be learning to use appropriate adjectives and begin to use simple repetition in our writing. Using what we have been practicing, we will be changing small details in the original story to create our own version.

Science

In Science this term, we will begin by learning about materials. We will be looking at what materials are commonly used, naming materials we can see in the classroom, thinking about why some objects are made of a particular material and conduct an investigation.

Maths

In Maths we will be looking at place value from numbers 1-10. We will be doing lots of counting forwards and backwards, finding one more and one less, comparing and ordering numbers.

Geography

To begin our year, we will be learning about Maps and Weather. We will start by investigating the resources we may use in Geography this year. We'll take a closer look at maps, atlas', satellite images and globes. This will then be moving onto looking at a compass and the four compass points. Then we will be learning about the weather. We will be keeping a weather diary and introduce them to hot and cold areas of the world and the impact of different weather types

Art

This term in Art we are exploring line and shape; working and experimenting with different materials through observational and collaborative pieces inspired by artists.

Computing

This term we will learn mouse skills

Music

In Music, the children will be learning about pulse and rhythm. They will be clapping the rhythm of their name and swaying, nodding or tapping in time to show the pulse. They'll learn to keep the pulse using their body. We will also be singing a rhythm while keeping the pulse.

PE

PE will take place on a **Wednesday**. This term the children will be learning multi-skills.

Our Class Reads- Some stories we will be reading together...

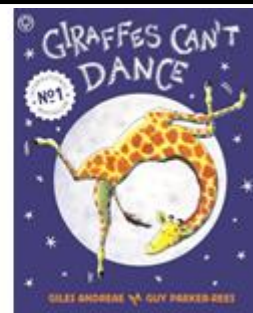

Giraffe's can't dance.

Have you filled my bucket today?

The Colour Monster.

Goldilocks' and the Three Bears

What We'll Build.

Important Reminders

Reading Folders need to be in school everyday. Books will be changed on a Friday. We will be changing books when they have been read at least twice to support fluency.
