

## Things that I should work on before coming to school:

- Putting on my own shoes and coat.
- Getting dressed and undressed (I will need to try and do this in PE lessons)
- Carrying my own things.
- Concentrating on an activity for 5 minutes (or longer) e.g a puzzle, looking at book.
- Following adult instructions first time.
- Taking turns and sharing things.
- Tidying away the things I have been using.
- Going to the toilet by myself.
- Holding pens and pencils correctly
- Naming colours
- Counting to ten (and beyond)
- Recognising my name (this will be helpful for looking after my things and finding my peg)
- Copying my name.
- Using scissors to cut.
- Saying please and thank you.
- Fine motor skills (threading, picking up small objects, playdough)
- Listening attentively to stories, recalling some of what has happened.
- Sitting on the floor with my legs crossed.
